

FOR IMMEDIATE RELEASE

## **Diamond Wire Technology Appoints New Vice President of Sales and Marketing**

Colorado Springs, CO – November 19, 2008 – Diamond Wire Technology, the oldest manufacturer of diamond wire and diamond wire saws, has appointed Brian Larabee as its Vice President of Sales and Marketing.

Mr. Larabee comes to us from Rohm and Haas in Phoenix, AZ where he was the CMP Technology Strategic Marketing and Business Development Director leading their strategic planning and critical growth initiatives for their electronic materials business.

Prior to Rohm and Haas, Mr. Larabee held various leadership roles for Honeywell Electronic Materials, Koch Industries, Sigma-Aldrich and Baxter Diagnostics. He brings over 18 years of experience serving the Semiconductor, (adjacent) Electronics, Biotechnology and Pharmaceutical industries. Mr. Larabee has an extensive background in new market development, strategic planning processes and analysis, P&L responsibilities, and the development and execution of strategic growth plans.

Mr. Larabee holds BS in Biology, and a minor in Marketing, from Missouri State University and brings extensive experience in creating and maintaining strategic relationships in Asia, Europe and North America in an effort to expand business globally.

About Diamond Wire Technology:

Diamond Wire Technology is the originator and market leader in diamond wire cutting, with over 40 years experience. In addition to making diamond wire from 140 micron to 380 micron in diameter, Diamond Wire Technology maintains a line of diamond wire saws designed to enhance performance and lower cost.
